**My 3 "G" Days
by Kathy Winkowski**

Isaiah 41:8-10 But you, Israel, my servant, Jacob, whom I have chosen, the offspring of Abraham, my friend; ⁹ you whom I took from the ends of the earth, and called from its farthest corners, saying to you, "You are my servant, I have chosen you and not cast you off"; ¹⁰ do not fear, for I am with you. Do not be afraid, for I am your God; I will strengthen you, I will help you. I will uphold you with my victorious right hand.

Every morning channel 5 makes an announcement that goes like this: "It's time to play what day is it?" They then proceed to tell you what day it is.

I don't know about you, but since the pandemic I don't always remember what day it is or the date of the month.

My weeks have gone like this: Monday is (g) garbage day so I proceed to take my can and recycle bin out to the road, wait for the trash man to empty them then proceed to fetch them.

Thursday is (g) grocery day. A very dear friend shops for me and brings me the things I need so that I don't have to take any risks and go out.

The highlight of my days is to go all the way out to my mailbox.

Then there is (G) God day on Sunday or my God day. This is the best day because it strengthens my connection to God. I am fed again with great spiritual music along with the message delivered by our beloved pastor.

I am not sure where the other 4 days of the week have gone to but due to the circumstances of the pandemic they are a blur to me and I have 3 "G" days.

This lent is the time to start over and turn back home. God has seen us through many hard times in the past and He has never abandoned us. We need to rely on Him and keep our faith strong and God will see us through again.

Prayer: Holy God, we are so tired of being alone and having to keep separate from one another. Help us to see your blessings in this trying time, and to rely on you, trusting that this, too, shall someday pass and you will be with us as we begin new days. In Jesus' name. Amen.
